

WAUNAKEE WINTER WEEKEND

February 5-7, 2010

The Waunakee Rotary Club invites you to another couple of days and nights having fun with all of the Rotary Exchange students in District 6250. The schedule will be similar to the Hockey Weekend you enjoyed in November, but a bit different. You'll be staying with a host family in Waunakee on Friday night through lunch on Saturday morning to spend some leisurely time with them and maybe see something special around Waunakee.

Waunakee Village Center
333 South Madison Street

Our center of operations will be the Waunakee Village Center - a beautiful facility bordering the Village Park in the center of our small town. There we will welcome you on Friday afternoon and re-convene on Saturday at noon. During the afternoon we plan to take you ice skating, cross country skiing, and snow-shoeing; equipment will be available. We'll return to the Village Center and share a potluck supper with Rotary members and host families. You'll spend the night there in comfortable facilities and have breakfast on Sunday morning before returning home.

Outbound and Rebound Rotary Youth Exchange students from the Madison area are invited to take part in the activities.

Please let me know if you have questions about ice skating, cross country skiing or snow shoeing. You'll soon be receiving registration materials from Toni Pabon.

Happy New Year!

Harriet Statz
