Waunakee Rotary Club

May 11, 2006
Vol. 38, No. 44

Waunakee Rotary Club held Club Assembly at its meeting May 4.

The club has donated \$500 to Wrestling the World to help provide wells at a high school in Kenya.

The club also has donated \$200 to help the high school Future Problem Solvers group go to national competition.

Drivers are needed to chauffeur kids up north for an activity on May 19.

Service Club Olympics are coming up in July. Larry Felsheim said the event has activities for everyone, and a wonderful meal – paid for by the club – comes with the deal.

June 25 is the date for the district governor's welcome party in Columbus.

Greg Garton says Waunakee Rotarians are lagging a little in the "Every Rotarian Every Year" fund drive. The club's goal is to raise \$9,800. The club's billing software couldn't handle this additional chore, so if you asked to be billed for this effort, you haven't been.

The Fellowship Committee is thinking about organizing a trip to a Mallard's Game

and a train ride. A survey will be taken to find out what members think about the various activities that are available.

Community Service Committee is making progress on getting a bridge done across Six Mile Creek. A creative mind is needed to help design the Rotary's Waunafest float.

Greg Garton said the club needs to make it easier to keep track of members' make-ups.

June 29 is the tentative date for the club golf outing.

Guests: None.

Visiting Rotarians: Bruce Mohs, Madison West; Claude Sime, Madison West.

Perspectives on golf...

- Golf is an endless series of tragedies obscured by the occasional miracle, followed by a good bottle of beer.

- "I wish I could play my normal game...just once!"

- Golf is harder than baseball. In golf you have to play your foul balls.
