

Corporate & Family Memberships

Business Representatives

A Rotary Regular Member (Member of Record) who's business or entity has additional associates or employees, may submit to the board of directors *or the membership committee* a list of associates or employees who might attend weekly meetings as a Business Representative when the Member of Record is not available.

Business Representatives will receive Waunakee Rotary Club e-newsletters and other club correspondences, will be invited to attend club social functions and will be encouraged to engage in volunteer opportunities in order to enhance their understanding and enjoyment of Rotary.

There are no dues associated with being listed as a Business Representative; however the member of record is responsible for any costs incurred by a Business Representative, including but not limited to social functions, apparel purchases, etc. Such costs will be included on the member of record's quarterly dues invoice.

Business Representatives are not eligible to vote as a club member; cannot hold club office, board of director or committee chair positions; and do not receive Rotary International membership privileges.

Procedures for meeting attendance by a Business Representative:

- a) If a representative is attending INSTEAD of the member of record – the representative will use the name badge of the member of record and announce to the greeters that he/she is attending in place of the member of record. (We should add an additional space on the greeter sheet – “Business Representatives”-not to be billed as a guest)
- b) If a representative is attending IN ADDITION to member of record, the representative will be signed in and billed as a guest.
- c) Only one representative per meeting/meal may take the place of the member of record. Any additional representatives will be signed in and billed as guests.

Family Memberships

Club and potential new club members may submit a request to the club board to have their membership approved as a family membership. Under the family membership, either the husband or wife can be listed as the primary member of the family membership. The secondary member of the family membership may attend weekly meetings as a Family Representative when the Primary Member of Record is not available.

The secondary family member will receive Waunakee Rotary Club e-newsletters and other club correspondences, will be invited to attend club social functions and will be encouraged to engage in volunteer opportunities in order to enhance their understanding and enjoyment of Rotary.

There are no dues associated with being listed as a Secondary Family Member ; however the member of record is responsible for any costs incurred by a Business Representative, including but not limited to social functions, apparel purchases, etc. Such costs will be included on the member of record's quarterly dues invoice.

Secondary family members are not eligible to vote as a club member; cannot hold club office, board of director or committee chair positions; and do not receive Rotary International membership privileges.

Procedures for meeting attendance by a Secondary Family Member:

- a) If a secondary family member is attending INSTEAD of the member of record – the secondary member will use the name badge of the member of record and announce to the greeters that he/she is attending in place of the member of record. (an additional space on the greeter sheet – “Secondary Family Member”-not to be billed as a guest)

- b) If the primary member is attending IN ADDITION to a secondary member, the secondary member will be signed in and billed as a guest.
